LIBRARY REPORT

I would like to thank the trustees, Mrs. Robert Kimball Mrs. Arthur Averill, and Mr. Richard F. Sanborn, for their interest and services. Several friends of the library also deserve our appreciation for donating books, time and interest: mothers who have attended the children's film programs so that they will run more smoothly with that supervision, and other friends who have assisted in clerical work, such as rearranging books misplaced on the shelves, or in typing.

Another way in which users of the library can help it is by returning or renewing books promptly so that others have the opportunity to read them, and to avoid the expense in time and postage of sending out overdue notices. Books lost or damaged should be paid for promptly, both so that replacements for them may be bought and the expense for these will not have to be added to library costs.

Help is always needed in many parts of a library's activities, and, to suggest ways in which you can best give such assistance, some explanation of how books are made ready for use may be pertinent. First, naturally, comes choosing enjoyable reading material. To do this a librarian should read books or book reviews, and, by talking with patrons, find what they are interested in reading. Then she should attend area book meetings and visit libraries and book stores where she may examine a variety of books. When choices have been made, book orders to send to publishers must be typed, or trips made to book stores for buying directly. The next step requires separating the books received into two groups, fiction and non-fiction. Non-fiction books must be examined to find what their subject is, and then to look up in a reference book the correct Dewey decimal number to indicate to a user the subject of the book. Catalog cards must then be typed with the book's title, author, and other pertinent information about it, so that such cards may be placed in the card catalog drawers for the patron's use. The book, already labelled with its Dewey decimal number if nonfiction, and with our library's book plate and pocket glued in place, is

ready for a protective jacket put on it, and a circulation card typed, with the book's author and title, put into the pocket in the book. The book is then ready for circulation, but how will readers know that such a book is at the library? The name of the book and its author, and perhaps a brief summary of its contents, should be written and placed where members of the community will see it, perhaps in a local newspaper or the bulletin board of a school.

When a patron comes into the library, he may require a little help in finding the book he wants, or he may ask for assistance in getting the material he needs. Depending on the kind and extent of information needed, this may take more or less of the librarian's time, but her goal is always to assist the patron in getting the reading material he wants. And at the end of each day that the library is open, the books returned must be replaced correctly on the shelves, and a circulation record made of the number and types of books lent that day.

In addition to the routine work of a librarian come such extra activities as, in our library, film programs. To make these possible our library is among one those fortunate enough to have a projector, screen, and a room where films may be shown. From a catalog sent to us by the State Library, films suitable for the interested group must be ordered, and publicity about such programs sent to newspapers, schools, or interested groups.

During this past year I have taken three more courses at U.N.H. in Library Science: two in choosing and evaluating books for children and adults, and one about the use of reference books. Mrs. Richard F. Sanborn, our library consultant, taught this course and made it most interesting and helpful.

Since our high school now has a library, the circulation of books among patrons of that age has diminished somewhat, but we hope, with your cooperation, to extend the library's usefulness to the community as a whole. Our trustees, library consultant, and several friends of the library, as well as your assistant librarian, Mrs. Chandler, and I have given many hours of service as a gift to the town. This is because we are

convinced that a library is one of a community's most valuable possessions. Our town is growing, and information and viewpoints that can make it a good community are available from its library books. Let us serve an increasing number of you in the coming year.

Respectfully submitted,
CAROLYN D. LEWIS
Librarian

SELECTMEN'S REPORT

1972 has been a year of continuing progress in our Town. Our sewer is in full operation and is functioning as designed.

The construction of new homes is continuing at an accelerated rate.

We welcome the New Hampshire Public Service Company to our Town. Their new Regional Office and Service Center on Route 125 is under construction.

The first Fair in Epping was held at the Star Speedway. This event was originated and sponsored by Charles Elliott. We are hopeful that it will become an annual affair.

Your Selectmen successfully defended our Town in three law suits:

The first case was by Mr. Robert Dodge. He requested the Town to give up the Right-of-Way of French Road from his home to Blake Road. The Court denied his request and issued a Court Order to remove all obstruction that he placed in the Right-of-Way.

The second case was by Mr. Wilfred Cloutier who was asking the Superior Court to grant him a sewer connection for his Mobile Home Park. This was denied by the Court. The Selectmen pointed out that the sewer was constructed at the request of the Federal Government and the State of New Hampshire to eliminate the pollution of the Lamprey River. The sewer capacity was designed to correct this condition with enough additional capacity to handle only normal

building (on Vacant Land) in the sewerred district. Our Sewer System is at approximately 85% capacity at the present time.

The third case was by Mr. Jean Bellefeuille who requested the Court to change the method used by the Selectmen is assissing Mobile Homes. The Court refused to hear the case.

There is one case still outstanding by Mr. Wilfred Cloutier who is requesting the Court to reduce the tax assessment for his Mobil Home Park.

The Selectmen regret the necessity of spending of Town monies for the above purposes.

Storm windows have been installed on some of the windows at the Town Hall. We expect this will help to reduce the cost of heating this building.

The additional sewer system Bond of \$124,000.00 authorized by the Town to complete the Sewer System has been reduced to \$120,000.00

Our new Fire Station in West Epping is now complete. Our Fire Department is now operating this new unit.

We wish to thank all of our Departments, Boards and Commissions for their hard work in the past year. Keep up the good work.

RICHARD S. SANBORN, Chairman

REPORT OF EPPING FIRE DEPARTMENT

I respectfully submit the annual report of the Epping Volunteer Fire Department. For the year 1972, the Fire Department responded to 35 calls:

- 1 propane gas
- 1 bomb scare
- 4 accidents
- 5 false alarms
- 2 structural fires
- 7 mutual aids
- 2 flooded oil burners
- 1 chimney fire
- 3 dump fires
- 1 horse in barbed wire accident

To report a fire, please call 679-5351. For information about a fire, call any of the following numbers of the red network:

Robert Galley	679-5955
David True	679-8795
Richard Young	679-5462
Forrest True	679-8855

I would like to thank the members of the Red Network and the Selectmen for their support through the year. The Epping Volunteer Fire Department consists of 29 men at this time. I would also like to thank these men for their endless time and assistance.

The new Fire Station in the west Epping area is now in service. Many thanks to the people of Epping who made it possible.

PLANNING BOARD REPORT

It is nearly impossible to detail in the short amount of space allotted to this report, the accurate summary of the detailed work of the Planning Board during the past year. The numerous phone calls, the requests for information, special meetings at odd hours and days, to accomodate townspeople with special problems; these, together with informational hearing to inform the people of Epping, all have been undertaken. Altogether, it has been a busy year.

The year 1972 was the first full year of operation of the Land Sub-division Law of the State of New Hampshire, known as Chap. 36. This alone probably doubled the workload of the Planning Board. At times, it probably seemed to the members to be the only thing they were involved in. Nearly 90 Uniform Land Use Forms of the Planning Board were taken out by people involved. Most of these were approved, with a few notable exceptions.

The Planning Board tried to keep a tight rein on the appropriation allotted to it in the budget. We ended the year with an unexpended sum of slightly over \$30.00.

Public Hearings were held on Regulations for the Industrial Park. This was finalized and adopted by the Board. Hearings were also held on proposed establishment of Commercial Zones and Regulation of Multi-family dwellings. These latter two will be finalized and presented in the near future.

A reorganization of the Board took place on March. The term of Patrick Jackson expired in November and he was replaced shortly thereafter by George Graves. At that time Roger Vogler was appointed Associate Member. The Board would like at this time to express thanks and gratitude to Patrick Jackson for his years of service to the Town and the Board. His knowledge and expertise will be sorely missed.

The Board thanks the citizens of Epping for their support and asks for their continued cooperation in the year ahead.

REPORT OF THE BUILDING INSPECTOR

The building activity for 1972, in total permits issued, is about the same as that of 1971 — 41 in all. The following is a breakdown for 1971 and 1972.

	1972	1971
Conventional Homes	11	7
Mobile Homes	9	12
Assembled Homes	1	2
Apartment Buildings	1 (8 units)	0
Commercial Buildings	2	0
Commercial Building Additions	4	4
Apartment Alterations & Additions	1 (6 units)	2 (10 Units)
Conventional Home Additions	5	10
Mobile Home Additions	1	2
Garages	4	0
Horse Barns	2	0
School Additions	0	1 (4 rooms)

Respectfully submitted,
WILLIAM H. ANDERSON
Building Inspector

REPORT OF CIVILIAN DEFENSE DIRECTOR

Donald Shappell

I respectfully submit to you my year end report for 1972.

The two trucks acquired by the Fire Department through Defense Civil Preparedness Agency and equiped by your Fire Department — thanks go to your Fire Department for their efforts.

I have available information on building construction that could be of value to your project. The larger the project, the more you can save on utilities and maintenance costs over the years.

Also available through Defense Civil Preparedness Agency are a large number of educational training aids that could be of value to any organization.

DONALD S. SHAPPELL

Director of Epping Civil Defense

WATER & SEWER COMMISSION REPORT

During 1972 the Water & Sewer departments in Epping experienced a very quiet year in relation to 1971. The Commission met every other Wednesday night from 7 to 9 p.m. and had a minimal number of visitors registering complaints or requesting assistance.

To date, we have issued 268 sewer permits including those that were issued in 1971. There are over thirty residents who have not yet applied for permits, and we remind them to do so in order to comply with the state laws.

Mr. Edgar Sewall, the Superintendent of the Commission, resigned during the year, and the Board of Selectmen appointed Mr. Charles P. Sanborn to fulfill Mr. Sewall's unexpired term.

During the year we had four new building connections. Three were residential for both water and sewer connections, and one was residential/commercial for a sewer connection only.

The Layne Co. was contracted for the water search project and initial contact and survey was conducted, but as of this writing the Layne Co. has not fulfilled their obligation.

The Water and Sewer departments have operated throughout the year without major problems and we have gained valuable experience in the operation of the sewer system. We hope that everyone in the Town has been properly served and if not, they may take issue with the Commission at one of their regular meetings. We plan to continue these meetings on a regular basis and have posted the dates for 1973 on the Town bulletin board.

Respectfully submitted,
 ROBERT J. CHAMBERLAIN,
 Chairman
 CHARLES P. SANBORN,
 Superintendent
 BRENDAN J. SPLAINE,
 Secretary

RECREATION COMMISSION REPORT

What is a Recreation Commission?

A Recreation Commission is a group of appointed townspeople who believe that there are many things that can be done, recreation wise for young and old, that will bring everyone together. Your Recreation Commission believes as such and is striving to develop programs that will bring everyone together.

At the March 1972 Town Meeting the newly founded Recreation Commission was handed the job of developing a swimming area at the Mary E. Folsom Blair Park. \$3,000.00 was appropriated for this task. The first of this development was to have the park area surveyed in order to ascertain absolute boundries. This was accomplished and the land registered for \$657.00. After considerable time and investigation the Recreation Commission was very disappointed to reach the conclusion that a swimming area within the park was economically unfeasable, therefore \$2,325.00 is being returned to the Town as an unexpended balance.

With that conclusion the Recreation Commission then turned its energies to developing programs and events for the year 1973. One activity that the Commission strongly endorses is that of a Summer Program for the school children of town. The Commission is requesting an appropriation of \$1,000.00 for the summer of 73 to be used for a six to eight week youth activities program.

Other programs and events will be forthcoming during the year and these activities will be self-supporting or have voluntary supervision.

Supervision over activities and town property used for recreational purposes is very important and without proper supervision many recreational programs cannot be realized. The Commission needs your voluntary help and ideas so please let us hear from you.

Recreation Commission Members

REPORT OF EXETER AREA VISITING NURSE ASSOCIATION

The Exeter Area Visiting Nurse Association provides skilled nursing and physical therapy services under the direction of the patient's physician. This may include home visits to administer injections, change surgical dressings, supervise medications and diet, record vital signs, draw blood, irrigate catheters, administer enemas, assist or teach the patient's family in regard to personal care, skin care, and cast care. Many visits are made to newborns and mothers for health and diet teaching and care of mother and infant. Patient's physically able to leave the home may receive injections at the VNA office. The physical therapist is available to patient's in establishing a home exercise program, teaching family exercise pattern and daily routine and evaluating need for any equipment necessary to rehabilitate a patient to his fullest potential as a contributing member of society.

Through our Well Child Clinic many children are receiving immunizations and physical examinations, vision and hearing screening, dental hygiene instruction, and diet teaching, who previously may not have because of financial problems or lack of follow-up in updating health care necessities.

Visits are also made to crippled children, tuberculosis patients, mental health and Veterans Administration referrals. Assistance is also given to patients in understanding Medicare, Blue Cross-Blue Shield, and eligibility for these benefits.

Through the VNA hospital based Home Health Coordinator, patients are now receiving continuity of care after hospital discharge to the home.

The above services are provided to everyone in the community—the young, old, aged, pregnant mothers, and all economic groups for the purpose of promoting, maintaining or restoring health, or minimizing the effects of illness and disability. Better health care knowledge prevents accidents, illness, and disease, and saves many health dollars.

There are many ways to get home health care: (1) The patient's physician may contact the VNA office, (2) The patient can contact the VNA office directly, (3) A spouse, relative, friend may contact the VNA office, or (4) Another agency or referral source may refer a patient for home health care.

Town Representative

WILSON P. DENNETT – Public Accountant
86 High Street – Hampton, New Hampshire 03842

January 26, 1973

Board of Selectmen
Epping, New Hampshire 03042

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Epping for the fiscal year ended December 31, 1972.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library, Water and Sewer Commission accounts, Water Department, Trust Funds, Municipal Court and Sewer Projects.

FINANCIAL STATEMENTS

The Balance Sheet as of December 31, 1972 is presented in Exhibit A-1. As indicated therein, the Liabilities exceed the Assets, thereby creating a Net Debt of \$272,548.52. Comparative Statement of Appropriations and Expenditures (Exhibit A-2) shows a net overdraft of appropriations of \$1,252.68. The statement of Estimated and Actual Revenues and Budget Summary (Exhibit A-3) shows a net increase of actual revenue of \$14,131.22, showing a net budget surplus of \$12,878.54.

DEPARTMENTS

Each official's records are shown in Exhibit B-1 through J-2.

AUDIT PROCEDURE

The Accounts and Records of all town officials charged with the custody receipt and disbursement of Public Funds were examined and audited in accordance with generally accepted auditing standards, and accordingly include such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected taxes was made by mailing notices of delinquent taxpayers as indicated by the Collector's Records. The amounts of uncollected taxes as indicated in this report are therefore subject to any change which may be necessitated by the return of verification notices.

GENERAL COMMENTS

All uncollected taxes in Exhibit C-3 for the year 1969 have been either abated or deeded to the town, inasmuch as the statutory two year redemption period provided by R.S.A. 80:32 has expired on these tax liens. In auditing the Water & Sewer Department, the keeping of separate records was found to be incomplete and it is recommended that the Water & Sewer Department be consolidated with the general account, thereby doing away with the special checking account.

I want to extend my thanks to the officials of the Town of Epping for their assistance during the course of the audit.

Very truly yours,
WILSON P. DENNETT

Wilson P. Dennett—Auditor
Joyce Wildes — Accountant

WILSON P. DENNETT — Public Accountant
86 High Street, Hampton, New Hampshire 03842

January 16, 1973

CERTIFICATION OF AUDIT

This is to certify that I have examined and audited the accounts and records of the Town of Epping for the fiscal year ended December 31, 1972.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included tests of the accounting records and such other procedures as were considered necessary in the circumstances.

In my opinion, the Exhibits included herewith present fairly, the financial condition of the town on December 31, 1972, and the results of operation for the year then ended in conformity with generally accepted accounting principles, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,
WILSON P. DENNETT

TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Epping in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Epping Town Hall in said Epping on Tuesday, the sixth day of March next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see what sums of money the Town will vote to raise and appropriate for roads, bridges and sidewalks.
4. To see what sums of money the Town will vote to raise and appropriate for Memorial Day Expenses.
5. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
6. To see if the Town will vote to authorize the Selectmen to administer, sell or otherwise dispose of any real estate acquired by tax title or otherwise either by private sale or public auction providing that if such property is to be sold at public auction or private sale, then the same shall be advertised 60 days in advance of sale with notice thereof posted in three public places and area newspapers.

Submitted by Selectmen

7. To see if the Town will vote to raise and appropriate the sum of \$942.22 and the State of New Hampshire to contribute \$6,281.47 towards Class V construction and for improvements to our town.

Submitted by Selectmen.

8. To see if the Town will vote to raise and appropriate the sum of \$18,000.00 for the purpose of a revaluation of property in the Town of Epping and authorize the withdrawal of nine thousand dollars (\$9,000.00) for this

purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972. Submitted by Selectmen.

9. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the purchase of a copy machine to be used by the municipal offices, and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972. \$9,000.00 to be raised in 1973. \$9,000.00 to be raised in 1974. Submitted by Selectmen.
10. To see if the Town will vote to raise and appropriate the sum of \$650.00 dollars to be used to purchase a new chain driven Sand and Salt Spreader for the Highway Department and to authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.
Submitted by Selectmen
11. To see if the Town will vote to raise and appropriate up to the sum of \$500.00 to be paid to the Raymond Ambulance Association for services rendered to citizens of Epping and to authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972. Submitted by Selectmen.
12. To see if the Town will vote to approve the expenditure of \$13,840.00 to extend the town water line from the corner of Pike & High Street to Elm Street to the south corner of the Martel property. The above to include a fire hydrant at the corner of Elm & High Street and one at the corner of the Martel property and authorize the withdrawal of this amount for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Submitted by: Weymouth Purington
Roland Rollins
Arthur Martel, Jr.
and other petitioners

13. To see if the Town will vote to raise and appropriate the sum of \$9,000.00 for the installation of a drainage system on Main Street, Cate Street and Elm Street and authorize the withdrawal of this amount for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972. Submitted by Selectmen.

14. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations in the amount indicated; and, further to authorize the Selectmen to make pro-rata reductions in the amounts if estimated entitlements are reduced or take any other action hereon:

APPROPRIATION	ESTIMATED AMOUNT
Police Department	\$ 4,000.00
Fire Department	3,000.00
Visiting Nurse Assoc.	2,450.00
Town Dump	2,600.00
Highways, Summer	6,000.00
Highways, Winter	19,000.00
Street Lighting	2,000.00
Library	2,000.00
Tar & Culverts	5,000.00
Mental Health Clinic	500.00
Fire Hose	1,000.00
Submitted by Selectmen	<u>\$ 46,550.00</u>

15. To see if the Town of Epping will vote to install an extension to the town sewer system by adding a lift station and forced main, and such other sewer lines as required, from the end of the present sewer line, going south on Route 125 to the proposed site of the new Exxon Station (just south of the present Public Service Sub Station), a distance of approximately 1200 feet. This extension to conform to all Federal, State and Town regulations. The cost of this extension will be paid for in

advance of construction by W.S. Goodrich, Inc. of Epping, New Hampshire.

Submitted by: Willard A. Ruch, Jr.
Harry Freeman, Jr.
Gilbert Beauchesne
and other petitioners

16. To see if the Town will vote to open Delaney Road from Old Hedding Road to the residence of Clifford D. Evans which is approximately 1100 feet on the above mentioned Delaney Road which is now closed subject to gates and bars.

Submitted by: Clifford D. Evans
Philip Mitchell
Elizabeth Mitchell
and other petitioners

17. To see if the Town will vote to curtail the duties and powers of the Epping Planning Board by maintaining section 1—15, Chapter 53, Revised Statutes Annotated by N.H. 1942 as amended (voted at the 1952 Annual Town Meeting; currently ch. 36:1—15 RSA of N.H.); and to recind the vote of the town giving them powers under chapter 36, RSA as amended, section 16—29 inclusive.

Submitted by: Mary S. Cloutier
Wilfred Cloutier
James Murphy
and other petitioners

18. To see if the Town will vote to recind the powers granted the Planning Board under Chapter 31, RSA of N.H. as amended, as voted at the 1958 Annual Town Meeting, and the 1968 Special Town Meeting.

Submitted by: David Braley
Harold Braley
Catherine Pearson
and other petitioners

19. To see if the Town will vote to allow a discount of two per cent (2%) on property taxes if paid before December 1, or fifteen (15) days after receipt of tax bill, which-

ever comes first.

Submitted by: Eileen Murphy
Richard S. Jones
Frances Allen
and other petitioners

20. To see if the Town will vote to extend the voting hours for all Town, State and Federal elections from 9:00 a.m. to 8:00 p.m. Submitted by: Raymond Gomaz, Sr.

Emma S. Gomaz
Raymond Gomaz, Jr.
and other petitioners

21. To act on the reports of the Selectmen and such other town officers, boards, committees and commissions who are required by law to make such reports.

Submitted by: Jean J. Bellefeuille
Ellina M. Bellefeuille
Herculano Fecteau
and other petitioners

22. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this fifth day of February, in the year of our Lord nineteen hundred and seventy-three.

Richard F. Sanborn
Earl Arquette
Lee Limperis

Carroll B. Bishop

School Nurse

Lora L. Lavoie, R.N.

SCHOOL WARRANT
STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Epping qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the sixth day of March 1973 at nine o'clock in the forenoon, to act upon the following subjects: (The Polls may not close before five o'clock in the afternoon.)

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To transact any other business which may legally come before this meeting.

NOTE: The above warrant is unofficial. The official warrant with changes, if any, will be posted at least fourteen days before the date of the meeting.

EPPING SCHOOL BOARD

Francis J. Lavoie

Eileen C. Murphy

Mary Cloutier

SCHOOL WARRANT
STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Epping qualified to vote in district affairs:

You are hereby notified to meet at the Epping Gymnasium in said district on the tenth day of March 1973, at seven-thirty in the evening, to act upon the following subjects:

1. To determine and appoint the salaries of the school board and truant officer and fix the compensation of any other officers or agents of the district.

2. To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.
3. To see if the district will vote to raise and appropriate the sum of \$6,000.00 for the purpose of offsetting insufficient revenues received from PL 874 for fiscal year 1972—73, said amount to be a deficit appropriation.
4. To see if the district will vote to raise and appropriate the sum of \$20,000.00 for the purpose of paying unanticipated roof repairs, unanticipated teacher retirement and FICA, unanticipated special education tuition and transportation, heat, utilities and instruction for the 1972—73 fiscal year, which sum is a deficit appropriation.
5. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the district.
6. To transact any other business which may legally come before this meeting.

NOTE: The above warrant is unofficial. The official warrant with changes, if any, will be posted at least fourteen days prior to the district meeting.

EPPING SCHOOL BOARD

TOTAL APPROPRIATIONS	570,246.00	609,890.00

SUPERINTENDENT'S REPORT

Whereas our newly elected governor has pledged to change many of the existing educational laws in New Hampshire, especially those affecting local school autonomy, it becomes essential that all citizens of the Epping School District understand more fully the overall management and control of their schools.

Basic to local educational control in New Hampshire is the legal responsibility of the school boards—a responsibility and authority far greater than delegated to their counterparts in many other states in this country.

The following should clearly illustrate this fact. By state law:

“1. The school board must provide standard schools for at least 180 days and “give to all pupils within the district as nearly equal advantages as are practicable”. A standard school is one with:

- a. a suitable and sanitary building;
- b. furniture, books, maps and other necessary appliances;
- c. a staff composed of certified teachers, directed and supervised by principal and superintendent; and
- d. suitable provision for the care of the health and physical welfare of all pupils

2. Transportation shall be provided all pupils below the ninth grade who live two miles or more from school. Pupils entitled to transportation may be required to walk one mile to a bus stop or one and one-half miles to a stop approved by the state. Transportation may be furnished to pupils above grade eight and any others living less than two miles from school when this is found desirable.

3. The school board employs teachers for the district and may dismiss any teacher found to be immoral or incompetent, except that no teacher may be dismissed prior to the end of the contract year without being notified of the cause and being granted a hearing. The school board may fail to reelect a teacher for another school year providing notice of this is given to the teacher in writing prior to March 15. A teacher who has taught in the district for three or more years must be granted a hearing if one is requested and the subsequent decision of the board is subject to review by the state board.

4. The school board may, unless otherwise provided by statute or state board regulations, prescribe all rules for the management and organization of the schools within the district.

5. Other responsibilities of the school board include the following:

- a. purchase of textbooks, supplies and insurance
- b. appointment of truant officers
- c. the taking of a school census
- d. making repairs to buildings
- e. accepting federal funds, and
- f. nominating a superintendent of schools

6. The school board shall see that the studies prescribed by the state board are thoroughly taught. Specifically mentioned in the statute are "physiology and hygiene in so far as it relates to the effect of alcohol and narcotics on the human system" and the teaching of courses "in all public and private schools in the state.....the constitutions of the United States and of this state and also in the Declaration of Independence."

7. A school district shall establish programs for handicapped children. If the district does not provide a suitable program it must pay tuition to one operated by another district or a private organization. The district of residence is liable for the state average tuition payment for pupils educated in other schools. Suitable transportation is to be provided for handicapped children. The liability for transportation is an amount equal to the state average tuition charge per pupil. A handicapped child is one whose physical, intellectual or emotional problems make him unable to profit from the regular school program.

8. A school board may provide health services, appoint a school physician, a school nurse, a dental hygienist, and other school health aides. Each child must have a medical examination prior to or upon first entry into the public school system. All school personnel must have a physical examination prior to employment. Periodic medical exams may be required following employment. School boards must develop written policies relative to emergency care for students and school personnel injured or becoming ill during school hours or scheduled activities.

In addition to the above legal powers and responsibilities, the State Board of Education has conferred the following regulations upon the local school boards:

1. The determination of salaries and terms of employment for all teachers and other employees.

2. The preparation of a budget for local school expenditures and the keeping of school accounts.

3. The determination, upon recommendation of the superintendent and in accordance with the regulations of the State Board, of the subjects of instruction and the school time to be devoted to each subject.

4. The holding of a school board meeting at least once every two months.

5. The nomination of a superintendent of schools for employment by the State Board of Education.

6. The exercise of all powers and the performance of all duties vested in and imposed upon the school board which are not committed to the superintendent or expressly delegated to him."

While the above duties and responsibilities were being formulated it became apparent to the lawmakers of the state that it was impractical to expect part-time school board members who, for the most part were untrained in educational management, to continue to operate, efficiently, their public schools. Therefore, the position of Superintendent of Schools was created in the year 1850. It took another 70 some odd years for the state to officially define his duties.

Since 1919 those duties have been officially, as well as unofficially, up-dated many times.

Today the Superintendent of Schools must:

"Serve as the executive head of the public schools. He shall be responsible for planning and administering their affairs subject to statutory requirements, the regulations of the State Board of Education, and the policies of the local districts. The position shall develop and maintain a system of public schools, capably staffed to provide quality education and supportive services. The Superintendent shall provide, develop and implement the procedures to achieve educational objectives within his administrative unit.

In performance of those duties, he shall be directly responsible to the State Board of Education through its commissioner, and the Board of Boards of the Supervisory Union.

The Superintendent may be supported by one or more assistants such as assistant superintendents, business administrators and teacher consultants. He shall delegate such of his duties as is necessary and desirable for the efficient completion of the requirements of the position.

1. The Superintendent shall nominate all professional central office personnel.

2. The Superintendent shall direct and supervise the work of all employees of the district and shall have all powers necessary to make such direction effective. While the Superintendent has ultimate responsibility, he may delegate powers and duties to other personnel.

3. He shall nominate all certificated staff and appoint other employees in accordance with the laws, regulations of the State Board of Education, and school board policies.

4. He shall be responsible for the selection and purchase of textbooks and all other scholastic apparatus and supplies in accordance with the regulations of the school board and the State Board and see that the same are suitable distributed to the school, accurately accounted for and economically used.

5. He shall be responsible for developing and recommending to the school board the annual budget for the support of the educational program and for the operation and maintenance of schools, in accordance with School Board policy.

6. He shall be responsible for an accounting system and financial reporting procedure in order that all funds will be accounted for in accordance with local school board policy, and local and state law.

7. He shall be responsible for the development of an educational plan for the district or districts and for recommending a program of studies suitable to the needs of the pupils and the community in accordance with local school board policies, state statutes and State Board Regulations.

8. The Superintendent may, for cause, remove a teacher or other employee of the District in accordance with state statutes.

9. He shall recommend the dismissal of certified staff to the Board, recognizing its authority to dismiss according to the statutes.

10. He shall provide for temporary vacancies and shall have the authority to secure supplies immediately needed for the operation of the schools.

11. He shall be responsible for maintaining records and making reports as required by the State Board of Education and the local school boards.

12. He shall admit pupils to school attendance in accordance with the laws of the state and the regulations of the State Board and policies of the local board. He shall assign them to such classes and grades as he finds their needs warrant.

13. He shall provide for the alleviation of hazardous conditions of an emergency nature that affect the health and welfare of pupils.

14. He shall be responsible for the evaluation of personnel and programs in accordance with local school board policies.

15. He shall be responsible, after notice, for the implementation of the policies and regulations of the State Board of Education. He is expected to participate in the development and evaluation of said policies and regulations as requested by the Commissioner of Education."

Respectfully submitted,
FRANCIS C. WILSON
Superintendent of Schools

SUMMARY OF SCHOOL DISTRICT MEETINGS

March 7, 1972

Moderator Claude A. Goodrich read the warrant and declared the meeting open for the election of officers.

Results of the voting were as follows:

Moderator:	Claude A. Goodrich	766
Clerk:	Flora M. Goodrich	745
School Board (3 Years)	Eileen C. Murphy	485
School Board (3 Years)	Robert W. Wadleigh	355
Treasurer:	Deborah B. Winsor	675
Treasurer:	John Hackett	10 (Write-ins)

March 11, 1972

The Moderator opened the meeting by reading the election results and the school warrant.

Article 1. To determine and appoint the salaries of the school board and truant officer and fix the compensation of any other officers or agents of the district. It was voted to take up article 1 under article 8.

Article 2. To hear the reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto. It was voted to accept reports as printed in the school district report.

Article 3. To choose Agents and Committees in relation to any subject embraced in this warrant. It was voted to accept Article 3 as read.

Article 4. To see if the District will vote to accept programs, services, and activities under the provisions of the vocational amendments of 1968 and to expend an amount, as may be made available to the district, not to exceed \$12,000.00, under said federal act, to such particular projects as may be determined by the school board. It was voted to table this article, since federal funds would not be available.

Article 5. To see if the District will authorize the school board to convey to the Town of Epping the right-of-way located between Main Street and the Carrie Odiorne Junior High School. It was voted to convey to the Town of Epping the right-of-way located between Main St. and the Carrie Odiorne Jr. High School.

Article 6. To see if the District will vote to raise and appropriate a sum not to exceed \$5,000.00 to purchase and install carpeting in four classrooms on the second floor at the Central School. The article was amended to read "and that the contract be submitted to public bid". A vote was taken on the article as amended and it passed.

Article 7. To see if the District will vote to raise and appropriate the sum of \$3,000.00 for the purpose of paying unanticipated FICA and Sewage Installation for the 1971-72 fiscal year, which sum is a deficit appropriation. It was moved and seconded to accept the article as read. The motion was put to a vote and it carried.

Article 8. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the district. Frank Lavoie moved that the district vote to raise and appropriate \$579,852.00 for the support of schools, for the payment of salaries for school district officials, and agents, and for the payment of statutory obligations of the district. Ann Burtt seconded the motion.

Clara Montgomery moved to amend the motion to deduct \$7,000.00 from the budget for one of the teachers' salaries. Mr. Restuccia seconded the motion. The vote was taken; 50 in favor and 35 opposed. The amendment carried.

After a discussion of the flag pole (under capital outlay-equipment) Dan Hackett moved to amend the motion to strike \$500.00 from the budget allocated for a new flag pole until the school board can get more information on the size and type we will need. Peter Carr seconded the motion and it was put to a vote and carried.

Donald Young made the motion that we reduce the amended budget figure appropriated by a sum equal to 25%

of the school board's proposed 1972 school budget increase. This would work out to a figure of \$18,106.00. This was seconded by Mr. Gatchell.

Mr. Chamberlain moved to amend Mr. Young's amendment to reduce the budget by \$32,000.00. Mrs. Montgomery seconded the motion. A vote was taken after much heated discussion and the results were 31 in favor and 77 against. The motion was defeated.

A vote was taken on Mr. Young's motion and the results were 64 in favor and 42 against. The motion carried.

The budget at \$562,246.00 as amended was accepted after a motion was made by John Hackett and seconded by Edward Castle.

The meeting adjourned at 11:24 p.m.

Respectfully submitted,
FLORA M. GOODRICH,
Clerk

FINANCIAL STATEMENTS
OF
EPPING SCHOOL DISTRICT
For the Year Ended June 10, 1972

JOSEPH J. GIORDANI
Certified Public Addountant
EXETER, NEW HAMPSHIRE 03833

School Board
Epping School District
Epping, New Hampshire 03042

I have examined the balance sheets of the various funds, including the Statement of Bonded Debt, of the Epping School District as of June 30, 1972, and the related statements of revenues and expenditures and fund equities for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

In my opinion, the statements referred to above present fairly the financial position of the various funds of the Epping School District as at June 30, 1972, and the results of their operations for the year then ended, in conformity with accounting practices generally followed by school districts applied on a basis consistent with the requirements of the State Department of Education, Concord, New Hampshire, as expressed in their "New Hampshire Financial Accounting Handbook."

JOSEPH J. GIORDANI
Certified Public Accountant

Dated October 17, 1972
